POSTAL REGULATORY
COMMISSION
OFFICE OF THE
SECRETARY

Hon. Shoshana M. Grove, Secretary
Postal Regulatory Commission
901 New York Avenue NW, Suite 200
Washington, D.C. 20268-0001

Dear Ms. Grove:

The Statement of Revenue and Expenses, June, 2012 (FY 2012), that I submitted to the Commission on August 10, 2012, contained errors. I am providing a corrected report.

As with the original submission, this report is being provided for public disclosure in redacted form. Most of the information has been disclosed; however, the values in a small percentage of accounts have been deleted. Pursuant to 39 C.F.R. § 3007.21, the Postal Service incorporates by reference and relies on the "Application of the United States Postal Service for Non-Public Treatment of Materials," which was attached to my letter dated August 24, 2009, used to transmit the corresponding reports for June, 2009.¹ This application describes the information withheld and presents the justification for withholding the deleted materials. I have also enclosed a complete, unredacted version of this report, which the Postal Service is submitting under seal. The unredacted version should not be posted on the internet. Both the redacted, public version and the unredacted, non-public version of the report are being provided in electronic form on computer disk.

Sincerely,
